## OPPORTUNITY FOR NAMING THE VANADZOR CENTER

The construction plans for the Vanadzor center are underway. Heranakar LTD has been hired to draw up plans for the new center which will stand in downtown Vanadzor, behind the Charles Aznavour Cultural Center. A construction manager, Mr. Vardan Manayan has been appointed to oversee the construction. A contract between Orran and CISP, an Italian NGO, has been signed for a grant of 230,000 Euros from the Italian government Ministry of Foreign Affairs. This will supplement the generous donation of Krikor and Anna Krikorian of \$250,000. However, we still need your support to meet the total cost of construction including furniture which requires another \$495,000. Consider the

wonderful opportunity of matching Mr. and Mrs. Krikorian's donation of \$250,000 and having the center named for you and the Krikorians or sponsoring a room which will bear your name. Please find a draft of the center's plan below with the cost of each room. You can contact Armine K. Hovannisian at [jaaoff123@yahoo.com](mailto:jaaoff123@yahoo.com) for more information.
