Dear Benefactors and Supporters of Orran;

December 2005

Operational Achievements for 2005

How your generosity is making a difference

1. Children – Newcomers. We are pleased to advise that with your increased financial support, 33 new children between the ages of six to sixteen are now coming to Orran on a daily basis.
2. Children – Leavers. 25 children have left after numerous years growing up in the Orran environment
 - 4 have gone into further education, which is being funded by Orran, bringing the total number of those being funded for vocational training to 9. If you would like to be a personal sponsor for any one of these children, then please refer to our web site for details.
 - 6 are now seeking employment in the following businesses: Jewellery (1), Hairdressing (3), Culinary (2).
 - 5 have left as the welfare of their families has improved.
 - 10 can no longer attend as the school shift has changed from morning to afternoon.
3. Elderly – Newcomers. We have welcomed 7 new elderly to Orran.
4. Elderly – Leavers. We have lost 6 elderly citizens. Four have unfortunately passed away having spent their last days at Orran amongst their friends. One has gone to an elderly home and one has left to join her family in Russia.

We are also happy to inform you that there has been a significant increase in the total number of Orran beneficiaries due to your increase in generosity. There are now 50 families who visit Orran on an irregular basis, due to shortage of funds. Unfortunately priority has to be given to the most needy cases.

We would like to thank our donors, supporters, our 8 full time and 12 part time staff and our 15 volunteers in helping Orran achieve its mission, with special thanks to all our staff who help all our beneficiaries and provide over 100 meals a day!

Fund Raising Highlights for 2005

We are most grateful to the **Marriott Armenia** for undertaking a "Month of Orran" at the hotel. The partnership of Orran and the Marriott hotel in September was a unique attempt to help the fight against destitution and begging on Yerevan's streets. On Wednesdays at 5pm, the children of Orran performed traditional Armenian songs and dances at the entrance of the hotel. The children played a great part in sharing traditional Armenian culture with visitors during the busiest month of the tourist season. Hotel guests were encouraged to interact with the children and elderly and to purchase arts and crafts the children had made. When checking out of the Hotel or paying a restaurant or café bill, patrons were given the opportunity to make a donation to Orran. **Krikor and Anna Krikorian** kindly matched all contributions and paid for all the associated expenses. We are pleased to advise the total amount raised was \$8,000. We would like to thank everyone who donated to Orran's worthwhile cause.

Mr. and Mrs. Vahe and Grace Paklayan and Mr. and Mrs. Krikor and Anna Krikorian in London at the Square and Level Lodge fund raising dinner for Orran.

We would also like to thank **Vahe and Grace Paklayan**, for raising \$4,800 as chairman of the Square and Level Lodge in London with the ladies charity dinner raising half the above sum. Our thanks also go to **Haig and Cindi Krikorian** for raising \$1,200 at a charity dinner held in their Lalimes restaurant in San Francisco. These functions are not only fun but raise badly needed funds for the young and elderly in Armenia.

Mr. **Pakrad Markarian** of California is another humble yet fervent supporter of Orran. His lovely wife Katrine and children Sevan and Talin visit Orran every summer. Mr. Markarian does his own fundraising and every year comes with a generous lump sum amount gathered from his friends and colleagues.

Orran's Mission is to:

- Divert children from the streets and engage them in academic, cultural, and extra-curricular activities
- Fight the concept of beggar children as the principal breadwinners of their families
- Help families "in crisis"
- Assist the lonely and needy elderly
- Identify and develop children's interests and talents toward a working career
- Prevent the spread of destitution and begging among Armenia's children and elderly

"Helping Families in Need"

We now take daily care of:

- 70 children
 - 47 elderly
- and an additional 50 families on a part-time basis only due to shortage of funds. Unfortunately we can only meet the most needy cases due to financial considerations.

Help us to reduce our postal costs and stay in contact with you by sending us your email address.

Mrs. Megan Doyle sharing pictures with the children.

Mr. John Waters being hugged by little Mariam.

Our Benefactors and Supporters both from the Diaspora and the Homeland make many and varied contributions to the work of Orran. We are grateful for your efforts. We will take the opportunity in this and future newsletters to mention a selection. This month we would like to recognize the generosity of Mr. **Pavel Katchatryan**, a successful entrepreneur who has a very attractive sports club/diner in the heart of the capital. Mr. Katchatryan serves breakfast to ten Orran children every Sunday morning.

The kids have more incentive to perform well at school, now that there is a special reward on the weekend!

The Armenian Educational Foundation was celebrating its 55th anniversary and made sure that Orran had something to celebrate too. The **Baghdassarian, Lais and Kassabian** families had generously decided that their guests would make contributions to Orran in lieu of gifts to the baptism of their grandchildren, Anthony Hacop Baghdassarian and Lisa Lousin Kassabian. What a wonderful lesson on Christianity for the little ones. Foundation members Mr. and Mrs. Hagop and Mina Shirvanian, Alice Petrossian, Mr. and Mrs. Ralph and Savey Tufenkian are old friends and supporters of Orran. They visit periodically and bask in the progress they see. On this visit, they brought friends who much appreciated seeing the computer room that their own members Mr. and Mrs. Alec and Alenoush Baghdassarian had supported.

Dr. Alice Saraydarian, a Board member of the Children of Armenia Fund and a driving force behind the establishment of the dental clinic at Orran has been sending equipment, medicine and tools to prepare the clinic for its opening. Currently, we are interviewing prospective dentists to start our dental services.

We are touched that the **Cafesjian Family Foundation** has committed to help meet more of Orran's needs. We were pleased to welcome Mr. John Waters, Vice President of the Foundation when he visited Orran accompanied by Foundation Board members Mr. and Mrs. Dennis and Megan Doyle. Escorting them were old and favorite friends of Orran Mr. and Mrs. Arthur and Madlene Ispiryan, Public Relations and Events Director of the Cafesjian Museum Foundation.

How you can Help

We are proud to publish our first list of donors who have generously donated over a million dollars to Orran's worthwhile cause. We are pleased also to announce that we have taken new fundraising initiatives as highlighted on our web site. These include

- sponsoring a child for \$1, \$2, or \$3 per day
- sponsoring the elderly at \$0.66 per day
- sponsoring the vocational training for children over the age of 15 from a single donation of \$70 to a yearly commitment of \$400 for 4 years
- making pledges for annual donations. It's only by having these pledges that we can plan ahead with confidence knowing our income is secure in the years ahead
- remembering Orran in your legacies

Highlights for 2006:

We hope to open a new centre outside Yerevan in one of the most needy places. Please help us raise our target of \$250,000 for this new centre.

Last but not least, by becoming a “Friend of Orran”. Mr. **Vahe Keushguerian**, Director of International Marketing and Fund Raising is about to initiate a new worldwide program called “Friends of Orran”. It aims to allow more and more people to embrace the mission of Orran and to raise badly needed funds for Orran's worthwhile cause in “Helping Families in Need”. For further information on how to become a “Friend of Orran” please contact Vahe Keushguerian at vahe@renideo.com.

And you can do all this by making payments directly over the web site.

Cultural & Recreational News in 2005

Orran ensures that culture is an integral part of the children's lives. This quarter, the children were visited by a number of prominent artists, and attended a number of events. Andre, Armenia's top pop-star, spent a whole afternoon with them. Anna Mailyan, a renowned soprano, enchanted the children with her magical voice. And Armine Hairapedyan not only sang, but brought handmade handkerchiefs, personalized with the initials of each first-grader. The children were excited to meet Olga Ayvazyan, a renowned singer and Nazeni Hovhannisyan, a talk show hostess. Both ladies were involved in a fashion show, the proceeds of which were donated to Orran. Tekeyan Cultural Center's Director Artashes Hovhannisyan kindly brought his theatre group to perform a piece called “Blessed Bread”. There was no shortage of laughter on that day, as you can see from the faces of the children in the above photograph.

For the third consecutive year, an Armenian Assembly group came to enjoy the songs and dances of Orran and to hear the personal stories of the children. Mrs. Seta Ghazarian who

joined the group on that day was in tears of happiness as she heard Arthur Sarkissyan tell his personal story as how he and his mother were saved through Mrs. Ghazarian's purchase of a small home for them. At the suggestion of Dr. and Mrs. Armen and Carolann Mazmounian, a group of Egyptian Armenians, Mardig Guiragossian and Mr. and Mrs. Hrach Simonian, came and toured the center and made generous donations.

The most inspiring event of the quarter was perhaps the visit of the Alex Pilibos Armenian

School seniors. These young men and women have been raising funds for Orran for the last three years. It was an emotional sight as they met the children they have worked so hard to help from afar.

We try to blend tradition with the contemporary at Orran. On February 14, as the world was celebrating St. Valentine's Day, the children gathered around the Trndez fire, to re-enact a wedding scene; which included singing, dancing and jumping over the fire. The children also presented handmade gifts to the mothers of Orran to celebrate Women's Day on March 8th and Beauty Day on April 7th. But it is not only children that find entertainment at the Center. The Orran mothers had a chance to show off their talents in a competition to knit the best looking sweater. The wool was donated by Haroutun Arslanian of Beirut. All of the final products went to the children of Orran.

On May 31, the children were delighted to be joined for lunch by their favorite granny, "Granny Cleo" Cafesjian. She once again encouraged the children to do good deeds for others and gave them \$5 each to see how they would spend their money. The children had many wonderful stories to tell and Granny Cleo was overjoyed not only because she had given the children the means to help others, but she also had a jam named after her! Granny Cleo had yet another surprise for the children. She had brought with her the glamorous Mrs. Laurie Coleman, wife of Senator Norm Coleman (Minnesota – Republican), Mrs. Donna Evans, wife of the American Ambassador to Armenia, Mrs. Ina Mnatsakanyan, First Lady of Karabagh, Mr. Jeff Baradaran and Mrs. Kathy Cafesjian and Father Dennis Dease, President of St. Thomas University, and the popular Armenia TV talk show hostesses Lusine Shahbazyan and Anna Terjanyan.

Along with other prestigious organizations such as Junior Achievement of Armenia, Cafesjian Family Foundation and Armenia TV, Orran organized the children's day festivities on June 1. The Orran children proudly displayed for sale their handmade arts and crafts. We were also happy to take part in the celebration of the Karakert village. Through the efforts of one of our benefactors and founder of the Children of Armenia Fund, Dr. Garo Armen two kindergartens and a school have been renovated. Concurrently all kinds of development projects are underway.

Of course summer is synonymous with summer camp. Sister Arousiag once again lovingly welcomed our younger family members into her camp as the older ones joined an educational camp. Every single child at Orran, young and old, enjoyed their summer on the slopes of the beautiful mountains of Dzaghkadzor. The children ended their summer holidays with a bang at "Water World", compliments of Mrs. Cleo Cafesjian.

We made sure that the staff enjoyed their summer too, even though they were working hard to renovate the Center while the children were away. A weekend retreat was organized for them from August 13 to 15. We were fortunate to have three of our best friends from California present. Medew Kalognomas, Mimi Zarookian and Mary Kanian helped by conducting the team building sessions.

A Message from Our New Board Member – Jackie Hyde – Fund Raising/Marketing Armenia

I was honored to be elected recently to Orran's Board of Directors. I was especially delighted to become part of such a professional and effective organization. I came to Armenia almost one

Mrs. Medew Kalognomas working with Orran's staff at the retreat.

A great meal and gifts by Tifozi brings a big smile.

year ago to accompany my husband, Richard on his posting here as Deputy Head of Mission at the British Embassy. We have two daughters Kira, age 4 and Rania, age 2. We have all very much enjoyed our time in Armenia. We have been touched by the warm and generous welcome we have received. I have been very impressed with what I have seen so far of the children of Orran, as well as the wide circle of friends and supporters of this worthwhile organization. I look forward to working to continue the success of Orran.

There have been a number of changes to our Board of Directors in recent weeks. Sadly, Mr. Nick Gilmour, CEO of HSBC Bank, has left Armenia. We were fortunate to have had Mr. Gilmour's expertise and support on our Board as Financial Director and wish him well in his future endeavors. Mr. Krikor Krikorian, one of Orran's principal benefactors, has taken on the role of special advisor to the Board and will cover Mr. Gilmour's responsibilities until a replacement is found. Mr. Krikorian's expertise in financial matters and his and his wife Anna's commitment to Orran take the organization to a new level of professional and effective service.

We are also happy that Vahe Keushguerian has joined the Board as Director of International Marketing and Fund Raising.

We are pleased to announce that we have a new Director who will manage the day to day affairs of Orran. Heriknaz Harutyunyan comes to us with a strong background in education and reinforces our commitment to ensuring that each Orran child receives a decent education. With the assistance of our three teachers and many volunteers we have seen a marked improvement in the grades of the children.

We received excellent feedback from you on our last newsletter. This has inspired us to continue our work and ensure we keep you informed of developments.

A Big Thank You to all our Donors

We would like to take this opportunity to thank you all for your continued support as acknowledged in the list of donors. Orran is committed to "Helping Families in Need" and we ask that you help us continue to make this a reality. With your financial partnership, our next centre will be outside of Yerevan in 2006 and any pledges would be most gratefully received.

You can keep up to date with all of Orran's news on the website. We would like to take this opportunity to wish you a very happy Christmas and a prosperous new year. Please remember Orran at Christmas time.

Sincerely

Susan Yacubian Klein

"HELPING FAMILIES IN NEED"

Just one more Story...

Matossyan Martoun returned from the armed services to find his parents and brother's family killed in the 1988 earthquake of Spitak. The many fruitless efforts of rebuilding his life and his home, lead him to Novokubanak, Russia where he married Luydmilla Katarzhnovya.

Two years ago, the call for the homeland brought him back to Armenia, where he worked on construction projects. However, he has struggled to find work, which has left him, his wife, and three children, Christine age 5, Vladimir age 4, and Gayanne age 2 months old, homeless.

It was early autumn and the weather was just getting cool in the evenings. A few more days, and it would be impossible to sleep in boxes under the trees, hidden from the eyes of the public, away from scolding remarks, careless looks.

They came to Orran, thankful that they could at least have one hot meal a day for the children. Eventually Martoun gathered enough courage to tell his story and ask for help. Fortunately, Orran can call on numerous benefactors who can assist in special situations such as these. In this case, Mrs. Verjine Boulghurjian had made generous donation of \$500 that would pay rent for one year for one small apartment.

The family now has a roof over their heads and Martoun can go in search of a job, not worried what would happen to the children while he is away. It is a new start for the Matossian family. It is dawn for a new beginning. Thanks to you, Orran continues "Helping Families in Need".
