Orran's Mission is to:

- Divert children from the streets and engage them in academic, cultural, and extra-curricular activities
- Fight the concept of beggar children as the principal breadwinners of their families
- Help families "in crisis"
- Assist the lonely and needy elderly
- Identify and develop children's interests and talents toward a working career
- Prevent the spread of destitution and begging among Armenia's children and elderly

2. FUND RAISING HIGHLIGHTS FOR 2007

For the third consecutive year, August was designated as "Month of Orran" at Armenia Marriott Hotel. The activities for the month included bi-weekly mini festivals where the children performed and displayed their hand

made products, sales of arts and crafts and the highlight of the month, the annual banquet. We are happy to report that we were able to raise more than \$40,000 from the month's activities including the banquet.

Armine K. Hovannisian with the Orran children

On August 17, Orran held its annual banquet as part of Orran Month at the "Tigran Mets" ballroom of Armenia Marriott Hotel. To a full capacity audience of 250, Fiona Coxshall, Orran Board of Directors, member and Heriknaz Harutyunyan, Executive Director gave a brief overview of the work done at Orran. During Orran Month's celebration Andre presented his famous song. Joining him was another loved artist Arthur Ispiryan. The night would not have been complete without a

We now take daily care of:

- and an additional 80 families on a part-time basis only due to shortage of funds. Unfortunately we can only meet the most needy cases due to financial considerations.

very special ethnic dance performed by the children of Orran.

Madlene Minassian, who was the mistress of ceremonies for the night, was able to create a sense of goodness and benevolence. This spirit of generosity was dominant as Tony Turner, CEO of HSBC Bank, and member of the Board of Directors of Orran led the auction of ten items donated by different individuals, companies and artists. The highlight of the evening was when a painting of organic glass entitled "The Love Tree" donated by artist Arev Petrossian sold for \$15,000. The painting was purchased by VivaCell General Manager Mr. Ralph Yirikian who only minutes before had announced his company's generous donation of 5 million drams (equivalent to \$14,300). Susan Klein, Board of Directors' member summed

up the evening; she thanked everyone for helping raise more than \$40,000.

Among the guests were Ambassador Rudolf V. Perina, Charge d'Affaires of the United States of America, Mr. Joseph Pennington, Deputy Chief of Mission of the US Embassy, Mrs. Bushra Halepota, UNHCR Representative, Ms. Laura Swain, Vice Consul of the UK Embassy, Indian Ambassador Reena Pandey with her husband Dr. A.K.Pandey, Mr. and Mrs. Nshan and Margrit Atanizian of Armenia Marriott Hotel, Andrew Coxshall, KPMG Managing Partner for Armenia and Georgia, Mr. Vladimir Mikhailov, General Manager of Coca-Cola HBC Armenia, Parliamentarian Anahit Bakhshyan, Sister Arousiag Sajonian of Our Lady of Armenia Convent and many other devoted friends of Orran.

Armine Hovannisian, who founded Orran seven years ago with her husband Raffi K. Hovannisian, commented "When we started Orran, it was only our family members and friends helping us out. The major assistance to this day comes from our benefactors Anna and Krikor Krikorian of the UK. And of

course we could not have built our four story center if it were not for the generosity of Mr. and Mrs. Gerard and Cleo Cafesjian." But today Orran does not rely on friendships and individuals only. As Mrs. Hovannisian continued to explain "I am so glad that today a new culture of benevolence is taking root in Armenia as prestigious organizations such as Armenia Marriott Hotel, HSBC, KPMG, VivaCell, Coca-Cola, Armen Carpet, Austrian Airlines, and many others are committed to making sure that there are no beggar children in Armenia. It is the third year that Armenia Marriott Hotel has opened its doors to the Month of Orran which provides many activities aimed at fundraising including the banquet. Every year, we are seeing an increase in the number of benefactors, particularly local businesses. This year helping our banquet were Yerevan Brandy Company, Ijevan Wine Factory, Maran Winery. We are grateful to all of our donor partners who are as committed as we are in seeing that no child is forced to be on the street because of hunger".

Hasmik Baghdasaryan, Marketing Director at Orran expressed Orran's gratitude to Armenia Marriott Hotel, "We thank Armenia Marriott Hotel for giving us the opportunity to raise a good percentage of our annual budget. We are especially grateful to Katrin Hentszel, General Manager of the hotel for initiating this annual event".

Friends of Orran

We would like to welcome Kristina Mooradian (17 years old), CAIA, Haig & Cindy Krikorian, Harout & Haigan Ohanesian and AmCham who have joined us as a "Friend of Orran".

We would like to say a big thank you to all of our "Friends of Orran" who guarantee us financial support of \$5,000 per year or more from either a personal donation or from fund raising activities that they have held through the year. The "Friends of Orran" are listed at the end of this Newsletter.

VivaCell first commercial company joins Orran as a Friend

In 2006, we were pleased to have our first Armenian company join Orran's list of Friends. VivaCell's sponsorship, shown on the Friends section of our website, illustrates that

companies in Armenia should and can make a difference in reducing poverty in our country. In 2007 VivaCell donated 5 million drams (equivalent to \$14,300). We are grateful to Mr. Ralph Yirikian, General Manager of VivaCell, for the generous donation.

Fundraising Piano Concert by Kristina Mooradian in Orange County

On June 10, 2007, seventeen year-old Kristina Mooradian organized and performed a fundraising piano concert at Vanguard University of Southern California. The benefit totaling \$7,550 was contributed to Orran.

During the month of July, Kristina worked for three weeks at Orran as a volunteer teaching English language and engaging children in various activities. She now has a deeper understanding of the children's background and their needs including financial, emotional, and overall care. Kristina's fundraising efforts are supporting a number of initiatives. One project that Kristina wished to work on was to purchase and prepare 72 backpacks filled with school supplies for each Orran child. Included were all of the supplies the children needed to attend school in the fall. This was an exciting project for Kristina because she personally went to the bazaar with a staff member

Kristina preparing lessons with the Orran children

from Orran to purchase everything with a portion of the money raised from her concert. Kristina was very excited to present the children with the backpacks, and the children were extremely surprised and excited to receive them from her. Kristina also prepared a small concert for the children at Orran. We, at Orran, think that Kristina is truly an example of how young, talented people can help underprivileged children.

AmCham-Orran Assistance Project

Hairapetyan Family receiving aid

At the beginning of this year, AmCham (American Chamber of Commerce in Armenia) and Orran initiated an assistance project aimed at assisting the most needy of the families.

To this end, AmCham collected more than \$5,500 which was used in the winter months to assist 36 families with house rent, electricity, food and other necessities.

Thank you to all AmCham members, especially to HSBC Bank, Synopsys IT company, Jonathan and Ani Stark, Stephen Newton and family, International Legal Consulting LLC, Sevan LTD, Virage Logic IT company, Armenia Marriott Hotel, Alpha Plus Consulting and First Mortgage for their kind contributions.

We are also grateful to Ms. Edith Khachatourian, President of AmCham at the time, Ms. Elen Ghazarian, Executive Director of AmCham and Mr. Marshall Chase, Senior Adviser of AmCham for their efforts in realizing this joint project.

Madlene and Arthur Ispiryan's donations for their son's birthday

On the occasion of the first birthday of their son David, Arthur and Madlene Ispiryan, asked their friends in lieu of gifts to donate money for the children of Orran. About \$3,000 USD was received as presents and donated to Orran Benevolent Organization. These funds will be used to purchase musical instruments.

Thank you to the Ispiryan Family for their generosity.

HSBC Bank employees' unexpected surprise

The HSBC family's contribution to the children of Orran was to initiate a program which would enrich their cultural knowledge and appreciation. Starting in September, the HSBC staff under the leadership of Arman Barseghyan, financed field trips to various cultural sites. The starting point was the Matenadaran, the repository of old documents.

During the months of September and October, the children visited various museums and enjoyed a number of theatrical performances. The highlight of the visits was a tour of the National Museum where the children explored the "Return to Motherland" exhibition which had returned after weeks of showing at the Louvre in France.

The HSBC staff has committed to financing the cultural trips for the children for the next one and a half years.

3. WOOD ENGRAVING AND HANDICRAFT CENTER-THANKS TO THE "HELENA WELLS" LEGACY

Orran strives to identify and develop children's interests and talents toward a working career. This year we received a \$26 299 USD donation from the Helena Wells Legacy for the establishment of a wood carving and handicraft center. Our new wood carving center has 30 children. Through training courses, children not only learn to make traditional Armenian crafts, but also gain skills which will help them to become honest breadwinners when they grow up.

With the assistance of the Egyptian Armenian community, represented by Dr. Armen Mazloumian, tools have been purchased and the children are already producing fine

souvenirs of wood.

4. DENTAL CLINIC

In 2006 Orran opened its dental clinic to serve the children and their family members. Housed at the Center, the dental clinic is fitted with state-of the art dental equipment and medical tools. The clinic is the gift of the Children of Armenia Fund (COAF), a charitable organization founded by Dr. Garo Armen.

We are looking for potential "Friends of Orran" who are dentists and who would like to fund the operating costs of our dental service which amounts to \$10 000 USD per year.

5. HOW YOU CAN HELP

Once again we are proud to publish our list of donors who have generously donated over a million dollars to Orran's worthwhile cause. We are also pleased to announce that we are continuing our new fundraising initiatives as highlighted on our web site. These include

- sponsoring a child for \$1, \$2, or \$3 per day
- sponsoring an elderly person at \$0.66 per day
- sponsoring the vocational training of a child over the age of 15 from a single donation of \$70 to a yearly commitment of \$400 for 4 years
- making pledges for annual donations, no matter how small. It's only by having these pledges that we can plan ahead with confidence knowing our income is secure in the years to come
- remembering Orran in your legacies
- becoming a "Friend of Orran". To become a friend, we would need guaranteed financial support of \$5,000 per year or more from either a personal donation or from fund raising activities that you have held through the year.

And you can do all this by making payments directly over the web site.

6. CULTURAL AND RECREATIONAL NEWS IN 2007

Orran celebrated the New Year

New Year festivities took place at Orran on December 27. The celebration started in the afternoon with a performance of "The Little Prince" by Antuan De-Sent Ekzuperi. Narine Avagyan, Orran psychologist, had volunteered for hours working with the children to make sure that the play was a success. Games, songs and dances filled the air throughout the afternoon. Even Santa Claus visited the children with a bag full of surprises.

As the nation celebrated one of the happiest days of the year,

Orran helped its children and elderly with New Year's presents and food baskets, donated by Mr. and Mrs. Gerard and Cleo Cafesjian. Mrs. Cafesjian also sent \$5 a person so that each child could decide how he/she wanted to spend the money to do a good deed for another person.

Saint Sargis Holiday Terndez Celebration, 2007

On February 14 Orran celebrated Saint Sargis Holiday Terndez as Orran believes that spiritual and cultural enrichment are also very important aspects of a child's development. During the event, Orran's children had a small performance, sang songs and danced. The highlight of the day was jumping over the fire which took place in Orran's courtyard. Terndez was celebrated with "gatas", Armenian sweet bread, with a button inside, which serves as an omen of good fortune for the person who finds it.

Old tradition of jumping over fire at Terndez

Orran helps improve the city's environment

The aim of the festival was to develop within the new generation love and care toward the nature surrounding them. From the 1st of April until the 12th Orran children helped with delivery of the festival's invitations, tree planting and ground clearing. At the conclusion, all enjoyed a concert organized at the Freedom Square in Yerevan.

Summer camp

Summer camp remains the favorite activity of the children of Orran. Once again, Sister Arousiag Sajonian with loving arms embraced the young children of Orran at "Tiramayr Hayastani" camp. The older ones enjoyed being part of the Junior Achievement camp thanks to the generous donation of Mrs. Cleo Cafesjian.

7. VISITORS AND INTERNATIONAL VOLUNTEERS

Yerevan International Women's Club

On February 7, the Yerevan International Women's Club members visited Orran. The YIWC members took a tour of the Center, learned of Orran's activities and pledged to help as much as they could. One of the members was quoted in the *Noyan Tapan* newspaper as saying "You are a true inspiration! God bless you! Congratulations and strength to you and your dedicated team!"

Skating Federation

The Skating Federation of Armenia has generously provided free of charge training for one of Orran's children Susie Sargisyan, who excels in skating. The Federation's President, Susie's teacher and an international judge visited Orran in March and provided information on the skating school in Yerevan. They agreed to accept other interested children and for a day to open their doors to Orran's children.

Joao Antonia

Orran children with the photo albums from Joao

Joao Antonia, an Armenian Youth Club volunteer from Portugal, volunteered at Orran for two months helping the children with homework, organizing games and taking photographs. He quickly won their approval and was accepted as a favorite "uncle". As a final gift, he presented each child with a photo album full of photographs of them and their friends at Orran. We hope that the Armenian Youth Association will continue collaborating with Orran.

Talin Amirian

Talin Amirian who is a Branch Manager with Wells Fargo Bank in Los Angeles, California volunteered at Orran for one month.

Talin with the Orran children

Talin was asked by the Board of Directors to assess the operations and work of staff at Orran and to provide suggestions for improving it. As Board member Arshavir Kaboudjian stated "Talin's professional and competent assessment of Orran's operations was a critical step in improving the services we provide to the beneficiaries of Orran. The Board of Directors is committed to making sure that every dollar that we spent has the most impact on our program". We thank Talin for her professional evaluation and work at Orran.
